LOS ALAMOS & WHITE ROCK

HISTORIC PORTRAIT GALLERY

Don't miss this hallway of Los Alamos history at
1789 Central Avenue, at the
Blue Window Bistro entrance.

AMERICAN PROMETHEUS

The Oppenheimer movie is based on this book,
written by Pulitzer Prize-winning author Kai
Bird. Pick up your copy at the Los Alamos
History Museum, Gadgets Museum Shop at the
Bradbury Science Museum or Samizdat
Bookstore and Teahouse.

MANHATTAN PROJECT FILM SERIES

Sponsored by Suzette Fox and Paula Glover of New Mexico Real Estate
Group - Los Alamos, this film series runs from July 1-20 at SALA Event
Center. Series ticket sales benefit the Los Alamos Historical Society, the
J. Robert Oppenheimer Memorial Committee, Friends of the Manhattan
Project National Historical Park, and the Bradbury Science Museum
Association.

OPPENHEIMER FESTIVAL

Celebrate the legacy of J. Robert Oppenheimer at this new festival at SALA
Event Center, featuring an exclusive advance screening of the movie a day
before its official release. SALA has also curated a new innovative immersive
experience exhibit about Oppenheimer, will showcase a selection of
documentaries related to him, and provide space for post-movie discussions,
lectures and engaging conversations with the movie extras.

DONATE TO THE OPPENHEIMER HOUSE FUND

The Oppenheimer House, often called the "crown jewel" of the Manhattan Project, is in the process of historic preservation, renovation, and exhibit development. Help the Los Alamos Historical Society preserve the J. Robert Oppenheimer House by donating at losalamoshistory.org.
